For over 120 years, the Forward has been the most significant Jewish voice in American journalism, challenging the establishment, championing the disenfranchised and exploring the rich world of Jewish food, arts and culture. A beacon of integrity, iconoclasm and progressive thought, the Forward remains America’s most trusted and respected authority on the issues that are vital to the Jewish community.
The New York Times recognizes the Forward

For over 120 years, The Forward has been in the homes of the American Jewish community. We are the voice speaking to them and for them. Its no wonder that The New York Times chose to hold up the Forward as an example of a publication that has risen up at a time when the world is in tumult.

“There’s something different happening now” — and it’s our job to tell that story, too.”

- Jane Eisner

The New York Times highlights how we are influencing the influencers.
HISTORY OF THE FORWARD

The Forward is a legendary name in American journalism and a revered institution in American Jewish life. Launched as a Yiddish-language daily newspaper on April 22, 1897, the Forward entered the din of New York’s immigrant press as a defender of trade unionism and moderate, democratic socialism.

By the early 1930s the Forward had become one of America’s premier metropolitan dailies, with a nationwide circulation topping 275,000 and influence that reached around the world and into the Oval Office. In 1990 the Forward Association made the bold decision to remake the English-language Forward as an independent, high-profile weekly newspaper committed to covering the Jewish world with the same crusading journalistic spirit as Cahan’s Jewish Daily Forward. In 2017, with entry into its 120th year, the Forward transitioned into its next major phase by becoming a monthly Jewish news magazine, focusing on essential long-form news, opinion, and lifestyle content. Online, the Forward reaches 2 million Jews across our website, social channels and new digital platform. That means a new growing audience is reading the Forward’s groundbreaking journalism, its in-depth reporting and its un-paralleled roster of writers.

Just as the Forward opened Jewish life to the world of modern journalism over a century ago, just as it created a new medium of bold, comprehensive, fiercely honest Jewish reporting two decades ago, it is now setting out to define Jewish journalism in the 21st century, as the independent voice of the American Jew and the conscience of the Jewish community.

We cover life’s **Jewish moments**, from food to festivals. We cover the richness of the Jewish experience.

We **report compelling, untold stories** that interest Jews across America.

We cover **important developments** in the nation’s political, social and institutional life.

We **highlight issues** within our community that stimulate discussion, thought and action.

We offer a **range of analysis** and commentary that spans the political and ideological spectrum.

We **review films, books, theater and music**. We profile writers, film makers, actors, and musicians — the doers of the art world — to keep our readers abreast of what’s new and worthwhile.

Our **Flagship issue, The Forward 50**, lists the most influential Jews in the United States and is published every fall after being widely consulted, quoted and debated.
